Equipping children for life

'The child grew in wisdom and stature and in favour with God and men'

The Gospel of Luke 2 : 52

OUR PHILOSOPHY

A fun, engaging and enthusiastic approach to learning, founded on Christian principles, provides wonderful potential for growth in the areas of academics, physical development, faith and social skills.

OUR OBJECTIVES

Our goal is to equip every child with the skills they need to reach their full potential. Each child is respected as an individual and encouraged to progress at their own rate.

We use age appropriate methods to grow your child by:

- encouraging enthusiasm for learning through exploration and hands-on experiences. Teaching **academic skills** associated with colour, shape, number and letter recognition. The Jolly Phonics System is used to help establish a strong foundation in literacy.

- encouraging **physical development** by providing a wide range of activities to develop vital fine and gross motor skills.

- developing **Christian faith and values**. We aim to instill into every child the confidence they are a unique creation of a good and loving God.

We use a variety of methods, including puppets, storytelling, drama, dance, music, art, craft and other play activities to communicate these Biblical principles. Chapel is held on Friday mornings and parents are welcome to attend.

- helping to acquire and practice the important **social skills** of sharing, respect and consideration of others. This includes learning how to relate appropriately to adults other than parents.

What parents are saying about us.

'Just to let you know that our son has been a different child since going to COC school. He is getting out of bed earlier and looks forward to each day. It has made all our lives better'
S.B. (Australia / Thailand)

'We thank God for your school. It is a big blessing to our family'
M.D. (Egypt / New Zealand)

'Our daughter loves school. Thank you for having such a great impact on her life'
A.B. (USA)

'We cannot thank you enough for every thing you have done for our son'
S.C. (Denmark)

'Our son loves coming to school. He learns so many new things and tells us about his day on the car ride home.'
S.P. (Korea)

'We really appreciate the balance between a sense of fun and clear boundaries for our three children. They all love COC school'
A.C. (Australia)

'Both girls have come so far since starting at the COC school. They love everything about it. They love their teachers and have wonderful friends'
L.B. (Australia)
